Dear Parent/Carer,

Storytelling Session

Foundation Stage 1(Nursery) & Foundation Stage 2(Reception)

On Thursday 9th November, Charnwood will be having a storytelling session with a storyteller from library services.

To encourage parents/carers to read more at home with their child, the 'Time to Read/Bookstart' Program are providing every child in Foundation Stage with their own book to treasure and share with their family at home.

Parents/Carers are invited to join the story telling session:

Foundation Stage 1	10.30am – 11.15am
Foundation Stage 2:	
F2 Apple	9.00am - 9.30am
F2 Pear	9.40am - 10.10am

Research shows that; "...a child who reads for pleasure will do better at school, even in subjects like maths"

Not only that, but if you read books together, it's a great way to bond, talk about the day and have a lot of fun.

We look forward to seeing you on **Thursday 9th November.**

Yours sincerely

Ms N Jassat

Headteacher
