

# Charnwood Primary School

Wednesday, 22 February 2017

Dear Parent/Carer,

## Happy Puzzle Company - Mathematics Demonstration

We would like to invite you to an exciting workshop delivered by the 'Happy Puzzle Company'. Children may accompany their parents to the workshop.

The workshop will take place on:

**Tuesday 28 February 2017**

**3.15pm - 4.15pm**

The Happy Puzzle Company offers a fantastic range of over 400 award-winning puzzles, games, challenges and puzzle books for both, families and schools. They will demonstrate how mathematics can be made fun using puzzles and games, and how children can be challenged to apply their mathematical skills.

There will be an opportunity for the parents to purchase exciting resources produced by the Happy Puzzle Company. These resources will help support mathematical learning at home.

I look forward to meeting you at the demonstration.

Yours sincerely,

**Ms N Jassat**  
**Head teacher**
