

Charnwood Primary School

Monday, 27 March 2017

Dear Parent/ Carer,

In order to raise our children's awareness of the importance to stay healthy, Charnwood Primary School, together with the **School Nursing Team** – will be hosting a **Health Fayre**.

For the benefit of our children and parents. The event will be held in the last week of term in our school hall on:

Wednesday, 05 April 2017,

All KS2 children will be visiting the hall for an allocated time during the day and will have the opportunity to take part in practical activities, as well as discovering information via the internet at the health fayre stalls which cover the following areas:

- **Healthy eating**
- **Optician**
- **Oral health**
- **Handwashing**
- **E-safety / Health for Kids**

We very much hope you will come into school and participate with your children in the activities available during this informative, educational and fun-packed day. There will be lots of information and leaflets for you to take away, too.

Parents are invited to come into school during the afternoon between 1.20pm and 2.50pm.

We very much hope that you will be able to support your children and the school in our efforts to promote a healthy life style. We look forward to seeing you on the day.

Yours sincerely,

Ms N Jassat
Head teacher
