

Charnwood Primary School

Wednesday, 13 September 2017

Dear Parents/Carers,

Your child in Year 4 has been selected to go on a World War 1 History Walking Trail on **Thursday, 28 September**. The walking trail will start from YMCA, and children will walk to Town Hall, New Walk Museum, Leicester Cathedral and Magazine. The children will learn about key events that took part during this time in history, they will be visiting local landmarks that are of significant importance for World War 1 and undertake various activities. This is an exciting learning opportunity, one that we hope will enrich your child's knowledge in this area of the curriculum

The children will be walking to the venues. We will leave school at 9.00am and will return to school at 3.00pm approximately.

Your child will require a packed lunch (no glass bottles or fizzy drinks please). The school will provide a packed lunch for your child if they are currently in receipt of a Free School Meal (FSM) voucher. A bottle of water is recommended for the day.

If you wish to volunteer on this trip please return the reply slip to the class teacher by **Monday, 18 September**. If you are selected to volunteer the class teacher will contact you and confirm the details.

We thank you for your support and hope your child will enjoy this experience.

Yours sincerely,

Ms N Jassat
Head teacher
