Parents Newsletter

May 2018

The sun has been shining and so have our wonderful children this term! The summer term has been a busy time with many exciting activities, and as always our children have been making great progress with their learning.

Statutory Assessment Tests (SATs)

Our Year 2 and Year 6 pupils have now completed the SATs tests. I am very proud of all the pupils for their resilience and hard work during this academic year. The support from parents and staff during this time is a testament to the strong partnership that we have here at Charnwood. Thank you.

Festival Assembly

Our Year 5 pupils performed a wonderful Islam assembly this term. The performance educated us all about the fundamental beliefs in Islam. The universal messages of kindness, sharing and peace were highlighted through this performance.

French Experience Session

Our Year 3, 4 and 5 pupils showcased what they have been learning in their French lessons to parents. Parents had the opportunity to see a French lesson in action and for the children to demonstrate the French they have learnt. Teachers from Moat Community College attended this event and were extremely impressed by how much our children have learnt.

Musical performance sponsored by Shoe Zone

We recently had a lovely surprise when we received a message from Sparks Arts for Children, saying that Shoe Zone, a local business (over the road from the school) kindly offered to 'adopt' a school this year. This meant that Charnwood was chosen to receive a free musical performance! We had the privilege of having Mellow Baku, a vocalist, songwriter, guitarist and storyteller performing at our school. Mellow was accompanied by a band of inspired jazz and world musicians who perform nationally and internationally. The children enjoyed a magical musical performance that was inspiring and uplifting. Our children have been writing letters to thank Shoe Zone for their generosity in funding this event.

Educational Visits

Foundation Stage Two – Twycross Zoo

The children enjoyed their visit to the zoo. The children enjoyed seeing and learning about the different animals. For many, this was their first visit to the zoo.

Year Four – Beaumanor Hall

Year Four had an amazing day at Beaumanor Hall. They participated in a variety of outdoor activities including orienteering and bridge building. These outdoor experiences provide positive health benefits, physically and mentally as well as developing a lifelong love of the outdoors. We hope to continue providing more of these enriching experiences to our children in the future.

Pupil collection form

If you would like to make changes to the pupil collection form, please see the class teacher to make amendments or speak to a colleague in the office.
